

1. Material:
 Contact: Alloy copper,
 Shell: Stainless steel,
 Insulator: High temperature. Thermoplastic, UL94V-0, Black.
2. Finish :
 Contact: gold plated on mating area,
 Pure tin plating on solder area.
3. Electrical specifications:
 Voltage rating: 10V AC.
 Current rating: 0.5A per pin.
 Contact Resistance: 80 milliohm max initially
4. Mechanical specifications:
 Durability test: 5000cycles,
5. Packing:
 Parts to be packaged in tape and reel for automatic
 Pick and placement.

Part Number:

8pin Hinge T-Flash Card Connector

- 1.1mm pitch, SMT
- 1.85mm height,
- 8pins

Hinge T-Flash Card Connector
